

Construction drawing practice —

Part 5: Guide for structuring of computer graphic information

UDC 744.4:[69+721.021.22]

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Basic Data and Performance Criteria for Civil Engineering and Building Structures Standards Policy Committee (BDB/-) to Technical Committee BDB/4, upon which the following bodies were represented:

- Association of County Councils
- British Standards Society
- Building Employers Confederation
- Chartered Institution of Building Services Engineers
- Concrete Society
- Department of Education and Science
- Department of the Environment
- Property Services Agency
- Department of the Environment (Building Research Establishment)
- Incorporated Association of Architects and Surveyors
- Institute of Building Control
- Institute of Clerks of Works of Great Britain Inc.
- Institute of Civil Engineers
- Institution of Structural Engineers
- Institution of Water & Environmental Management (IWEM)
- National Council of Building Material Producers
- Royal Institute of British Architects
- Royal Institution of Chartered Surveyors

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Constructional Steelwork Association Ltd.
- Building Services Research and Information Association
- Construction Industry Computing Association
- Landscape Institute

This British Standard, having been prepared under the direction of the Basic Data and Performance Criteria for Civil Engineering and Building Structures Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 April 1990
