Hot-applied thermoplastic road marking materials —

Part 2: Specification for road performance

ICS 93.080.30

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/2, Horizontal road markings and road studs, upon which the following bodies were represented:

- British Coatings Federation Ltd.
- British Glass Manufacturers Confederation
- County Surveyors' Society
- Department of the Environment, Transport and the Regions — Central Transport Group
- Department of the Environment, Transport and the Regions — Highways Agency
- Institution of Civil Engineers
- Institution of Highways and Transportation
- Retro-reflective Equipment Manufacturers Association
- Road Safety Marking Association

This British Standard, having been prepared under the direction of the Sector Committee for Building and Civil Engineering, was published under the authority of the Standards Committee and comes into effect on 15 January 1999
