Specification for

**Flexible cellular  
PVC sheeting**

---

This British Standard, having been approved by the Plastics and Rubber Industry Standards Committees, was published under the authority of the Executive Board on 28 February 1975.

© British Standards Institution, 1975  
BS 4023: Part 1 first published July 1966  
BS 4023: Part 2 first published December 1967  
First revision (combined) February 1975

ISBN: 0 580 08571 6

### Copyright

Users of British Standards are reminded that copyright subsists in all BSI publications. No part of this publication may be reproduced in any form without the prior permission in writing of BSI. This does not preclude the free use, in the course of implementing the standard, of necessary details such as symbols and size, type or grade designations. Enquiries should be addressed to the BSI Secretariat.

### Contract requirements

Attention is drawn to the fact that this British Standard does not purport to include all the necessary provisions of a contract.

### Revision of British Standards

In order to keep abreast of progress in the industries concerned, British Standards are subject to periodical review. Suggestions for improvements will be recorded and in due course brought to the notice of the committees charged with the revision of the standards to which they refer.

British Standards are revised, when necessary, by the issue either of amendment slips or of revised editions. **It is important that users of British Standards should ascertain that they are in possession of the latest amendments or editions.** Full information on all BSI publications, numbering over 6000, will be found in the *British Standards Yearbook*. This information is supplemented by details published each month in *BSI News* of new publications, revisions and amendments.

*BSI News* is available to Subscribing Members of the Institution. All other publications may be purchased direct from Sales Department. Enquiries concerning subscribing membership, which has considerable advantages, will be welcomed, and should be made to Subscriptions Department. Both departments are located at:

101 Pentonville Road, London N1 9ND (Telephone 01-837 8801 ; Telex 23218).

## Co-operating organizations

The Plastics and Rubber Industry Standards Committees, under whose supervision this British Standard was prepared, consist of representatives from the following Government departments and scientific and industrial organizations:

|                                                                |                                                            |
|----------------------------------------------------------------|------------------------------------------------------------|
| British Association of Synthetic Rubber Manufacturers          | Electrical Research Association                            |
| *British Plastics Federation                                   | Engineering Equipment Users' Association                   |
| British Resin Manufacturers' Association                       | *Malaysian Rubber Producers' Research Association          |
| *British Rubber Manufacturers' Association Ltd.                | *Ministry of Defence                                       |
| *Chemical Industries Association Ltd                           | Plastics Institute                                         |
| Department of the Environment, Building Research Establishment | Post Office                                                |
| Department of Industry                                         | Royal Institute of British Architects                      |
| Electrical and Electronic Insulation Association               | Royal Institute of Public Health and Hygiene               |
| Electrical Installation Equipment Manufacturers' Association   | *Rubber and Plastics Research Association of Great Britain |
|                                                                | Rubber Growers' Association                                |
|                                                                | *Society of Motor Manufacturers and Traders Ltd            |

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

|                                                         |                                                             |
|---------------------------------------------------------|-------------------------------------------------------------|
| Association of British Foam Laminators                  | Induction and Dielectric Heating Manufacturers' Association |
| British Fire Services Association                       | Leather and Coated Fabrics Manufacturing Association        |
| British Furniture Manufacturers' Federated Associations | London Transport Executive                                  |
| British Railways Board                                  | National Bedding Federation                                 |
| Department of the Environment                           |                                                             |
| Furniture Industry Research Association                 |                                                             |
