Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and professional and industrial organizations:

Associated Offices Technical Committee
Association of Consulting Engineers
Association of Hydraulic Equipment Manufacturers Ltd.
Association of Mining Electrical and Mechanical Engineers
British Compressed Air Society
British Electrical and Allied Manufacturers' Association*
British Gas Corporation
British Gear Manufacturers' Association
British Internal Combustion Engine Manufacturers' Association
British Mechanical Engineering Confederation
British Pump Manufacturers' Association
British Steel Corporation
British Steel Industry*
Crown Agents for Oversea Governments and Administrations
Department of Employment (HM Factory Inspectorate)
Department of Industry (Mechanical Engineering)
Department of Industry (National Engineering Laboratory)*
Department of the Environment
Department of Trade
Electricity Supply Industry in England and Wales*
Engineering Equipment Users' Association*
Federation of Manufacturers of Construction Equipment and Cranes
Institution of Gas Engineers
Institution of Heating and Ventilating Engineers
Institution of Mechanical Engineers
Institution of Plant Engineers
Institution of Production Engineers*
London Transport Executive
Machine Tool Trades Association
Ministry of Defence*
Ministry of Defence, Army Department*
National Coal Board*
Process Plant Association
Railway Industry Association of Great Britain
Royal Institute of British Architects
Society of Motor Manufacturers and Traders Ltd.*
Telecommunication Engineering and Manufacturing Association

The Government departments and professional and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Aluminium Federation
British Chemical Engineering Contractors' Association
British Airways, European Division
British National Committee for Non-destructive testing
British Non-ferrous Metals Federation
British Non-ferrous Metals Research Association
Institute of Physics
Institute of Quality Assurance
Lloyd's Register of Shipping
Ministry of Defence, Navy Department
Ministry of Defence, Procurement Executive
Non-destructive Testing Society of Great Britain
Non-destructive Testing Centre, Harwell
Oil Companies Materials Association

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 31 December 1974
