This European Standard EN 60 034-5 has the status of a British Standard

British Standards Institution

National foreword

This Part of BS 4999 has been prepared under the direction of the Power Electrical Engineering Standards Committee and is the English language version of EN 60 034 'Rotating electrical machines' Part 5 'Classification of degrees of protection provided by enclosures for rotating machinery', published by the European Committee for Electrotechnical Standardization (CENELEC). This Part of BS 4999 supersedes BS 4999 : Part 20 : 1972, which is withdrawn.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
