

Binders for paints

Part 7. Method for determination of free-formaldehyde content of amino resins (sodium sulfite titrimetric method)

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee STI/3, Paints, media and related products, upon which the following bodies were represented:

- British Coatings Federation Ltd.
- European Resin Manufacturers' Association
- Fosfa International
- Ministry of Defence
- Oil and Colour Chemists' Association
- Seed Crushers' and Oil Processors' Association

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 December 1995
