

# **Smoke security devices — Code of practice for manufacture, installation and maintenance**

ICS 13.310

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee GW/1, Electronic security systems, upon which the following bodies were represented:

- Association of British Insurers
- Association of Chief Police Officers of England and Wales
- Association of Security Consultants
- British Security Industry Association
- British Telecommunications plc
- Consumer Policy Committee of BSI
- Department of the Environment (Building Research Establishment)
- Electrical Contractors' Association
- Fire Brigades Union
- National Approval Council for Security Systems
- Security Facilities Executive
- Security Systems and Alarms Inspection Board

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 February 1999
