

Dimensions and tolerances of bright steel products

The European Standard EN 10278:1999 has the status of a
British Standard

ICS 77.140.60

This British Standard is the English language version of EN 10278:1999. Together with BS EN 10277 parts 1 to 5 this standard supersedes BS 970-3:1991 which is withdrawn.

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

Cross-references

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 7 and a back cover.
