Steel tubes for precision applications — Technical delivery conditions

Part 4: Seamless cold drawn tubes for hydraulic and pneumatic power systems

National foreword

This British Standard is the UK implementation of EN 10305-4:2016. It supersedes BS EN 10305-4:2011 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/110, Steel Tubes, and Iron and Steel Fittings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
