

BSI Standards Publication

Playground equipment and surfacing

Part 11: Additional specific safety requirements and test methods for spatial network

National foreword

This British Standard is the UK implementation of EN 1176-11:2014. It supersedes BS EN 1176-11:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/65, Children's playground equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
