

BSI Standards Publication

Wood preservatives — Determination of preventive action against Reticulitermes species (European termites) (Laboratory method)

National foreword

This British Standard is the UK implementation of EN 118:2013. It supersedes BS EN 118:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/515, Wood preservation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
