

BS EN 12111:2014

BSI Standards Publication

Tunnelling machines — Road headers and continuous miners — Safety requirements

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 12111:2014. It supersedes BS EN 12111:2002+A1:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
