

Machinery and plants for the preparation of concrete and mortar — Safety requirements

The European Standard EN 12151:2007 has the status of a
British Standard

ICS 91.220

National foreword

This British Standard is the UK implementation of EN 12151:2007.

The UK participation in its preparation was entrusted by Technical Committee B/513, Construction equipment and plant and site safety, to Panel B/513/-/8, Concrete plant.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2007
