

Natural stone test methods — Petrographic examination

The European Standard EN 12407:2007 has the status of a
British Standard

ICS 73.020; 91.100.15

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 12407:2007. It supersedes BS EN 12407:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/545, Natural stone.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2007
