

Testing concrete in structures

Part 1: Cored specimens — Taking, examining and testing in compression

ICS 91.100.30

National foreword

This British Standard is the UK implementation of EN 12504-1:2009. It supersedes BS EN 12504-1:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/517/1, Concrete production and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

Guidance on the use of BS EN 12504-1:2009 is included in National Annex NA (informative).

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 September 2009
