

BS EN 13450:2013

BSI Standards Publication

Aggregates for railway ballast

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 13450:2013. It supersedes BS EN 13450:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/502, Aggregates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
