**Welding consumables - General product
standard for filler metals and fluxes for
fusion welding of metallic materials**

National foreword

This British Standard is the UK implementation of EN 13479:2017. It supersedes BS EN 13479:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/39, Welding consumables.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
