Compressors and condensing units for refrigeration — Performance testing and test methods

Part 2: Condensing units

National foreword

This British Standard is the UK implementation of EN 13771-2:2017. It supersedes BS EN 13771-2:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/4, Testing of refrigerant compressors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
