

BS EN 13802:2013

BSI Standards Publication

Railway applications — Suspension components — Hydraulic dampers

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 13802:2013. It supersedes BS EN 13802:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/3/-/4, Railway Applications - Suspension components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
