LPG equipment and accessories - Filling operations for LPG cylinders

National foreword

This British Standard is the UK implementation of EN 13952:2017. It supersedes BS EN 13952:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/19, LPG containers and their associated fittings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
