

Respiratory protective devices — Half masks and quarter masks — Requirements, testing, marking

The European Standard EN 140:1998 has the status of a
British Standard

ICS 13.340.30

National foreword

This British Standard is the English language version of EN 140:1998. It supersedes BS 7356:1990 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee PH/4, Respiratory Protection, to Subcommittee PH/4/3, Facepieces, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
