

Plastics piping systems for renovation of underground water supply networks —

Part 1: General

The European Standard EN 14409-1:2004 has the status of a British Standard

ICS 23.040.01; 93.025

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14409-1:2004.

The UK participation in its preparation was entrusted by Technical Committee PRI/88, Plastics piping systems, to Subcommittee PRI/88/3, Rehabilitation of pipe systems using plastics piping materials and components.

A list of organizations represented on PRI/88/3 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
