

Road marking materials — Retroreflecting road studs

Part 1: Initial performance requirements

ICS 93.080.20

National foreword

This British Standard is the UK implementation of EN 1463-1:2009. It supersedes BS EN 1463-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/2, Horizontal road markings and road studs.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2009
