

Plastics piping systems for non-pressure drainage and sewerage — Polyester resin concrete (PRC)

Part 1: Pipes and fittings with flexible joints

ICS 23.040.50; 93.030

National foreword

This British Standard is the UK implementation of EN 14636-1:2009.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/2, Plastics piping for pressure applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2010.
