National foreword

This British Standard is the UK implementation of EN 1534:2010 incorporating corrigendum October 2010. It supersedes BS EN 1534:2000 which is withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by CEN corrigendum October 2010 is indicated by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee B/543, Round and sawn timber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
