

Floating leisure articles for use on and in the water

Part 7: Additional specific safety requirements and test methods for class E devices

ICS 97.200.50; 97.220.40

National foreword

This British Standard is the UK implementation of EN 15649-7:2009.

The UK participation in its preparation was entrusted to Technical Committee SW/136, Sports, playground and other recreational equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2009
