

BSI Standards Publication

Polymer modified bituminous thick coatings for waterproofing — Reduction of the thickness of the layer when fully dried

National foreword

This British Standard is the UK implementation of EN 15819:2011.

The UK participation in its preparation was entrusted to Technical Committee B/546, Flexible sheets for waterproofing and water vapour control.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
