

BSI Standards Publication

Railway applications — Design for PRM use — Equipment and components on board rolling stock

Part 3: Clearways and internal doors

National foreword

This British Standard is the UK implementation of EN 16585-3:2017.

The UK participation in its preparation was entrusted to Technical Committee RAE/1/-/15, Railway Applications - People with Reduced Mobility.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
