

BSI Standards Publication

Building hardware - Mechatronic padlocks - Requirements and test methods

National foreword

This British Standard is the UK implementation of EN 16864:2017.

The UK participation in its preparation was entrusted to Technical Committee B/538/4, Building hardware.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
