

BSI Standards Publication

Railway applications - Rolling stock maintenance - Terms and definitions

National foreword

This British Standard is the UK implementation of EN 17018:2019.

The UK participation in its preparation was entrusted to Technical Committee RAE/1/-/16, Railway applications & Rolling stock maintenance.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
