Road traffic noise reducing devices – Non-acoustic performance

Part 1: Mechanical performance and stability requirements

National foreword

This British Standard is the UK implementation of EN 1794-1:2018. It supersedes BS EN 1794-1:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/509/6, Fences for the attenuation of noise.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
