Stationary source emissions — Determination of greenhouse gas (GHG) emissions in energy- intensive industries

Part 6: Ferroalloy industry

National foreword

This British Standard is the UK implementation of EN 19694-6:2016.

The UK participation in its preparation was entrusted to Technical Committee EH/2/1, Stationary source emission.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
