

Light gauge metal containers — Definitions and determination methods for dimensions and capacities —

Part 1: Open-top cans

The European Standard EN 20090-1:1992 has the status of a
British Standard

UDC 621.789.144:672.46

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Packaging and Freight Containers Standards Committee (PKM/-) to Technical Committee PKM/561, upon which the following bodies were represented:

- Engineering Equipment and Materials Users' Association
- International Tin Research Institute
- Metal Packaging Manufacturers' Association
- Ministry of Defence
- Paintmakers Association of Great Britain Ltd.

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of British Preserved Milk Manufacturers
- Bacon and Meat Manufacturers' Association
- Brewers Society
- British Aluminium Foil Rollers' Association
- British Soft Drinks Council
- Campden Food Preservation Research Association
- Co-operative Union
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Food and Drink Federation
- Pet Food Manufacturers' Association

This British Standard, having been prepared under the direction of the Packaging and Freight Containers Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 October 1988
