

BSI Standards Publication

**Aerospace series - Fluorocarbon rubber (FKM)
- Low compressions set - Hardness 60 IRHD**

National foreword

This British Standard is the UK implementation of EN 2796:2018.

The UK participation in its preparation was entrusted to Technical Committee ACE/65, Non-metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
