

Durability of wood and wood-based products — Preservative-treated solid wood —

Part 2: Guidance on sampling for the analysis of preservative-treated wood

ICS 71.100.50; 79.040

Confirmed April 2012

National foreword

This British Standard is the UK implementation of EN 351-2:2007. It supersedes BS EN 351-2:1996 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee B/515, Wood preservation, to Subcommittee B/515/2, Durability, treatment, performance and environment issues.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2008
