

BSI Standards Publication

# **Refrigerating systems and heat pumps — Safety and environmental requirements**

Part 2: Design, construction, testing,  
marking and documentation

**National foreword**

This British Standard is the UK implementation of EN 378-2:2016. It supersedes BS EN 378-2:2008+A2:2012 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/18, Refrigeration safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
