

BSI Standards Publication

**Aerospace series – Acceptance parameters
of aesthetical variations for all visible
equipment installed in aircraft cabins
under all contractual variations**

National foreword

This British Standard is the UK implementation of EN 4726:2018. It supersedes BS EN 4726:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
