BS EN 4808:2017

BSI Standards Publication

Aerospace series - Flange couplings - Weld coupling, 90° elbow, in nickel alloy - Inch series

National foreword

This British Standard is the UK implementation of EN 4808:2017.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
