

BSI Standards Publication

Aerospace series — ECO efficiency of catering equipment

Part 04: Beverage makers

National foreword

This British Standard is the UK implementation of EN 4855-04:2020.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
