

Code of practice for the safe use of fully enclosed oil-filled electrical equipment which may be contaminated with PCBs

The European Standard EN 50225 : 1996 has the status of a
British Standard

ICS 29.180

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PEL/14, Power transformers, upon which the following bodies were represented:

- Association of Consulting Engineers
- British Cable Makers Confederation
- British Pump Manufacturers' Association
- British Railways Board
- Electricity Association
- Institution of Plant Engineers
- Transmission and Distribution Association (BEAMA Limited)

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 May 1997
