

Characteristics of DVB receivers

The European Standard EN 50256:1998 has the status of a
British Standard

ICS 33.160.20

National foreword

This British Standard is the English language version of EN 50256:1998.

The UK participation in its preparation was entrusted by Technical Committee EPL 100, Audio, video and multimedia systems and equipment, to Subcommittee EPL 100/1, Radio receiving equipment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
