

Charging control systems for household electric room heating of the storage type — Methods for measuring performance

The European Standard EN 50350:2004 has the status of a
British Standard

ICS 97.100.10

National foreword

This British Standard is the official English language version of EN 50350:2004.

The UK participation in its preparation was entrusted by Technical Committee CPL/59, Performance of household electric appliances, to Subcommittee CPL/59/3, Heating appliances (Room and water), which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 July 2004

Summary of pages
