

BSI Standards Publication

Procedure to assess the circuit integrity of optical fibres in a cable under resistance to fire testing

National foreword

This British Standard is the UK implementation of EN 50582:2016.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/1, Optical fibres and cables.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
