

Series capacitors for power systems

Part 4: Thyristors controlled series
capacitors

National foreword

This British Standard is the UK implementation of EN 60143-4:2010. It is identical to IEC 60143-4:2010.

The UK participation in its preparation was entrusted to Technical Committee PEL/33, Power capacitors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
