...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 60422:2013. It is identical to IEC 60422:2013, incorporating corrigendum December 2013. It supersedes BS EN 60422:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
