BSI Standards Publication

Artificial pollution tests on high-voltage ceramic and glass insulators to be used on a.c. systems

National foreword

This British Standard is the UK implementation of EN 60507:2014. It is identical to IEC 60507:2013. It supersedes BS EN 60507:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
