

BSI Standards Publication

Aerospace series - Electrical cables, installation - Protection sleeves - Test methods

Part 503: Temperature rise due to rated current injected on the sleeve

National foreword

This British Standard is the UK implementation of EN 6059-503:2017. It supersedes BS EN 6059-503:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
