Alarm and electronic security systems

Part 11-32: Electronic access control systems — Access control monitoring based on Web services

National foreword

This British Standard is the UK implementation of EN 60839-11-32:2017. It is identical to IEC 60839-11-32:2016.

The UK participation in its preparation was entrusted to Technical Committee GW/1, Electronic security systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
