raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN 61010-2-030:2010. It is identical to IEC 61010-2-030:2010, incorporating corrigendum May 2010.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by IEC corrigendum May 2010 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee EPL/66, Safety of measuring, control and laboratory equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
