**Cable assemblies, cables,
connectors and passive
microwave components
— Screening
attenuation
measurement by the
reverberation chamber
method**

National foreword

This British Standard is the UK implementation of EN 61726:2015. It is identical to IEC 61726:2015. It supersedes BS EN 61726:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wires and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
